Hey Eugene

The team is still working on the website. I'll let you know once it is ready for your review.

Cheers,

Estefania Sedano

Estefania, please make the legal rep more visible on the website. I can barely see it. Maybe the logo should be a little bigger

Good morning Eugene!

We can have the logo on the website today ASAP - let me speak with the team.

As for the whole look and feel (new colors in place, remove sections), most likely it will be tomorrow - but we will do our best to have it today! Will keep you posted.

Cheers,

Estefania Sedano

Yes client page hidden, booking and contact us leave active but update to the correct phone number and remove the address. Please pitch logo up asap.

On Wed, Apr 19, 2023, 7:28 PM Estefania Sedano <estefania@giantpartners.com> wrote:
Noted! I guess the Our Client page needs to be hidden for now right?

We can leave the Booking and Contact Us pages active - does that work for you?

And last question, do we need to update the address or leave it as it is?

Remove the about us completely from now and will work on a bio and will send it to you asap. Please remove the reviews as well. Everything that has any connection to companions has to be removed.

Hey Eugene,

Sounds good, thank you!

We will proceed to finalize the Brand Guidelines and then update the website design!

As far as the website content writing, do you have new content that would you like us to update?

There's one section we'll need info for, in the About Us --> Meet our Team we removed Safa and left Vito but he doesn't have a picture. How would you like to proceed with this section?

And is info@imelegalreps.com an active email?

Cheers,

Estefania Sedano
